Subject: NMFCA Subsection Meeting & URENCO USA Presentation and Tour Scheduled for Fire Service Personnel at the NMML Annual Conference in Hobbs!
Importance: High

Attention: Fire Chiefs & Fire Service I

President James Salas and the Board Members of the New Mexico Fire Chiefs Association invite you to join them in Hobbs on Tuesday, August 30th for a presentation, lunch and tour of URENCO USA; and on Wednesday, August 31st for a New Mexico Fire Chiefs Association Meeting.

*URENCO is the global leader in supplying enriched uranium to nuclear power plants. With more than 50 years' worth of experience, the URENCO USA site is the newest plant to join the fleet. As the only operating uranium enrichment plant in the Western Hemisphere, URENCO USA helps provide North America with clean energy to power the future. This state of the art plant houses several unique features including the largest seismically rated, structural steel building in the United States and the worlds most advanced centrifuge enrichment technology. This event promises to be interesting and informative! There is no charge to attend this NMFCA event; courtesy of URENCO USA. Transportation and Lunch will be provided. See the attached registration form for more information and submit it to me, no later than **Tuesday, August 16th**!*

The New Mexico Fire Chiefs Association will meet in conjunction with the NMML Annual Conference on Wednesday, August 31st in Hobbs. Plan to attend the NMFCA meeting the day after the URENCO, USA presentation & tour. I have attached the NMML Annual Conference Brochure which contains registration form (pages 7 & 8) and hotel information (page 10); the agenda is listed below:
